Tunya Titans Table Tennis Club (TTTTC)

Constitution

Adopted - April 2026

Registered Club

Foreword

It is my great pleasure to present the Constitution of the Tunya Titans Table Tennis Club (TTTTC), a document that establishes the foundation for our governance, values, and long-term vision.

Tunya Titans was founded with a simple but powerful purpose: to create a welcoming, inclusive, and structured environment where people of all ages and skill levels can come together through table tennis. From grassroots participation to competitive development, the Club is committed to growing the sport while building a strong and vibrant community.

This Constitution reflects our commitment to good governance, transparency, and accountability. It provides a clear framework for how the Club is managed, how decisions are made, and how members are engaged. Importantly, it aligns our operations with the standards and regulations of the Zambia Table Tennis Association (ZTTA), ensuring that we contribute meaningfully to the broader development of the sport in Zambia.

As we continue to grow, this document will serve not only as a guide, but as a shared commitment among all members to uphold the values of integrity, respect, and sportsmanship. I encourage all members, partners, and stakeholders to familiarize themselves with its contents and to play an active role in shaping the future of the Club.

Together, we are building more than just a club — we are building a community where Titans compete, grow, and thrive.
